

Indian Institute of Management Indore
Two-Year Post Graduate Programme in Management (PGP) 2012-14 Batch

Admission Procedure for CAT 2011 Applicants

1. Eligibility conditions for CAT 2011 Applicants

The candidate must hold a Bachelor's Degree, with at least 50% marks or equivalent CGPA [45% in case of the candidates belonging to Scheduled Caste (SC), Scheduled Tribe (ST) and Differently Abled (DA) categories], awarded by any of the Universities incorporated by an Act of the central or state legislature in India or other educational institutions established by an Act of Parliament or declared to be deemed as a University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India.

The percentage of marks obtained by the candidate in the Bachelor's Degree would be calculated based on the practice followed by the University/Institution from where the candidate has obtained the degree. In case the candidates are awarded grades/CGPA instead of marks, the conversion of grades/CGPA to percentage of marks would be based on the procedure certified by the University/ Institution from where they have obtained the Bachelor's Degree. In case the University/ Institution does not have any scheme for converting CGPA into equivalent marks, dividing the candidate's CGPA by the maximum possible CGPA and multiplying the result with 100 would establish the equivalence.

Candidates appearing for the final year of Bachelor's Degree/Equivalent qualification examination and those who have completed all the requirements for the award of Bachelor's Degree and are awaiting results can also apply.

Note 1: Aggregate marks of all semester/years of education will be considered for shortlisting as well as final admission.
